*Hi Sarah,
I've emailed Shelly asking for more detailed information regarding the treatment systems. I don't think I have any of those details either. I'll forward her response when I receive it from her.
Thanks,*

Erin,

I'm having trouble finding information in Leena's old emails regarding the systems in place at the VC impacted residences.

I don't need a ton of detail, I just want to clarify where and what is there, and how long it's been there. From what I've found so far it looks as if air strippers were installed in November 2009...?

Thanks!
Sarah
